HOSPICE HAWAII NAMES NEW CO-MEDICAL DIRECTOR

HONOLULU - Hospice Hawaii has named Geoffrey T. Galbraith, M.D. as its new co-medical director, working with management and the transdisciplinary teams responsible for the day-to-day care of hospice patients.

Dr. Galbraith brings 35 years of clinical, educational, and medical administration experience to his new position. After receiving his medical degree from the University of Washington in Seattle, he completed his internal medicine residency at the University of Hawaii John A. Burns School of Medicine. He is certified by the American Board of Internal Medicine. Prior to joining Hospice Hawaii, Dr. Galbraith was a clinician and held various leadership roles with the Hawaii Permanente Medical Group (Kaiser Permanente), for more than 20 years, most recently as the Associate Medical Director for Physician Leadership and Professional Development.

About Hospice Hawaii

Hospice Hawaii was founded in 1979 to serve terminally ill persons and their families. Hospice is a philosophy of care and approach, which emphasizes palliative and supportive services. Hospice Hawaii strives to meet the physical, emotional, psychosocial and spiritual needs of patients by offering quality end of life care.
